HAPPY SPRING!

CAMPING SEASON YA'LL

I Love this time of year and look forward to some outdoor leisure this season. Camping in Oregon? Awesomeness! I camp with my bike, with my truck, or sometimes in a cabin. So many options I swear.

Whatever your pleasures this spring, we hope you can share them with the ones you love.

HAPPY ST PATRICKS DAY

Time to wear green and drink green beer. To all my Irish brothers and sisters – Have a great time on our cultural holiday! Of course, be reasonably responsible as heritage and cultural beliefs dictate and always be safe and respectful to others.

Holiday fact: Saint Patrick's Day, or the Feast of Saint Patrick, is a cultural and religious celebration held on 17 March, the traditional death date of Saint Patrick, the foremost patron saint of Ireland. Who is your favorite patron saint I wonder? Apparently, there are several.

TAX TIME SOON FOLKS!

Don't forget tax time this April. I know no one likes to deal with Uncle Sam – But we have to so hunker down and just get it done. The IRS can be somewhat "bureaucratic" if you owe them money and they are the last folks you want to owe money to – next to the Mob that is. Hey wait, are they the same

entities? Just joking!

SUMMERTIME SOON

Before you know it Spring will be over and POW – summertime already. That is how time works, I guess. It just keeps going forward and the past gets further away.
