HAPPY INDEPENDENCE DAY UNITED STATES!

ANOTHER GOOD REASON

or excuse if you wish, to have a barbecue and party like it's the 4th of July *or* Independence Day! Oh wait, this is the 4th of July. It is not an excuse or reason - it is an American Imperative *and* Tradition. This is a day for parties and parades, and a night for fireworks and fun. We are all but required to have a great time on this celebration day - just please do so responsibly and stay safe!

**HAPPY BIRTHDAY PUNONG
GURO SAMMY**

This is Guro Sam's birthday month - celebrate responsibly there Guro!

THIS MONTH THIS YEAR

I am honored to have just published the recipients' names into the Filipino Marital Arts Hall of Fame for 2017 - Congratulations to everyone!

HANGGANG SA MULI

UNTIL NEXT TIME,

Pito-Antas
